Downloadable Content

We've included a link to downloadable content for you to use while making your way through the course, or for you to experiment and practise with.

The content includes:

- **10 stock footage clips we filmed.**

- **10 images we created.**

- **3 music tracks we created.**

The downloadable content is to be used only for practise while learning Premiere Pro. You are not allowed to distribute, sell, post, or share the files.
